

## TIMES TABLES ROCK STARS – NSPCC Number Day

### NSPCC ROCKS 2022 COMPETITION

#### TERMS AND CONDITIONS

By entering the NSPCC Rocks 2022 competition, it will be assumed that you have read these terms and conditions and that you accept them for and on behalf of your school.

#### Who may Enter

1. NSPCC Rocks 2022 is open to any school (primary, secondary or all-through schools) **located in the United Kingdom only** (including Isle of Wight, Channel Islands and the Isle of Man) who has either an active school subscription or an active school trial to Times Tables Rock Stars on [trockstars.com](https://trockstars.com).
2. If your school does not have an active school subscription, you are welcome to request a 4 week free trial for your school to gain access to Times Tables Rock Stars and participate in NSPCC Rocks 2022 by going to [trockstars.com/page/trials3](https://trockstars.com/page/trials3).
3. The NSPCC Rocks 2022 competition is not open to users of Times Tables Rock Stars on family or tutor accounts.
4. Only bona fide schools are eligible to compete in NSPCC Rocks 2022. It is not open to home schools or non-school organisations.
5. Only bona fide students are eligible to compete in NSPCC Rocks 2022. Staff are not allowed to participate.
6. Any foul play or cheating will not be tolerated and will result in a permanent exclusion from the NSPCC Rocks 2022 competition. Maths Circle's judgement on this issue will be final.

#### How and When to Enter

1. To enter your school in NSPCC Rocks 2022, please login to your Times Tables Rock Stars account and head to **Tournaments > NSPCC Rocks**. Please accept the invitation and choose the Maths Classes that you would like to participate in the competition. Please note that Pastoral Classes cannot participate in NSPCC Rocks 2022, only Maths Classes can participate.
2. There is no limit on the number of Maths Classes that can enter the NSPCC Rocks 2022 competition. There is no limit on the number of pupils within each Maths Class but there needs to be a minimum of 10 pupils in each class. If only 1 to 9 pupils from a class play during the competition, or there are fewer than 10 pupils in the class, then our algorithm will still divide by 10 for the purpose of the average to simulate there being 10 players in the class.
3. Average scores are taken on a per pupil (who has played during the Competition Period) basis to ensure a fair and even competition, as class sizes and school populations will differ.
4. This competition **will run from 07:30 (GMT) until 19:30 (GMT) on Friday 4<sup>th</sup> February** (the "Competition Period").
5. **Answers given before 07:30 (GMT) or after 19:30 (GMT) will NOT count towards the competition.**
6. **To support player wellbeing and help limit screen time, there is also a time limit of 60 minutes per player. In other words, each player can earn competition points for up to 60 minutes between 7.30am and 7.30pm. Once the player goes beyond 60 minutes of play, they will still earn coins but will no longer earn points towards the competition.**  
**Each player can accumulate 60 minutes across the the day between 7.30am and 7.30pm – they don't have to play for 60 minutes in a single sitting.**
7. The winners of the competition are the **Maths Classes and schools with the highest number of correct answers given on average per pupil who has played on Times Tables Rock Stars during the NSPCC Rocks 2022 Competition Period.**
8. Answers given correctly by pupils on *any* game mode within Times Tables Rock Stars count towards the total scores (i.e. to include questions answered in Garage, Studio, Arena, Festival and Soundcheck game modes). This ensures that pupils of all ages and levels can take part.
9. Any correct answers given by pupils before or after the competition start and end times will not be counted. **Any correct answers given by pupils beyond 60 minutes of play will not be counted. It is the first 60 minutes of play time that counts towards the competition.**
10. There is no entry fee for the NSPCC Rocks 2022 Competition.

## The Winners and the Prizes

1. Downloadable certificates will be available for all participating schools to download and print themselves for the winners that fall within the following categories:
  - i. top 3 overall schools – the top 3 Schools with the highest number of correct answers given on average per pupil who played during the NSPCC Rocks 2022 Competition Period;
  - ii. top 3 overall **primary** classes - top 3 Maths Classes with the highest number of correct answers given on average per pupil who played during the NSPCC Rocks 2022 Competition Period (as stated above, the average will be calculated by dividing by 10 if fewer than 10 pupils from the class play);
  - iii. top 3 overall **secondary** classes - top 3 Maths Classes with the highest number of correct answers given on average per pupil who played during the NSPCC Rocks 2022 Competition Period (as stated above, the average will be calculated by dividing by 10 if fewer than 10 pupils from the class play);
  - iv. top 3 pupils overall - top 3 pupils with the highest number of correct answers given overall during the NSPCC Rocks 2022 Competition Period;
  - v. top 3 classes within each school – top 3 classes with the highest number of correct answers given at each school during the NSPCC Rocks 2022 Competition Period (as stated above, the average will be calculated by dividing by 10 if fewer than 10 pupils from the class play); and
  - vi. top 3 performing pupils within each class & school - top 3 pupils with the highest number of correct answers given at each school during the NSPCC Rocks 2022 Competition Period.
2. **Where prizes and certificates are for “primary school classes” and “secondary school classes” if a school is an all-through school, or any other type of school that does not fit into the “primary school” or “secondary school” description, we will look at the year group of the winning maths class(es) and if they are Year 6 and below they will be treated as a primary school and if they are Year 7 and above they will be treated as a secondary school for the purposes of ascertaining the winning classes. Please do not enter a class into the NSPCC Rocks 2022 competition that includes a combination of Year 6 and under pupils and also Year 7 and upwards pupils.**
3. All prizes are non-exchangeable, non-transferrable and no cash alternative is offered.
4. Maths Circle reserves the right to alter the prizes, or to not select any winners at all.
5. Maths Circle reserves the right to refuse entry or to refuse to award a prize to anyone in breach of these Terms and Conditions or against the spirit of the Terms and Conditions.
6. Maths Circle’s decision shall be final, no correspondence regarding the results will be entered into.
7. In the event of an exact tie, Maths Circle will check the average scores to 3 decimal places to determine the winning pupil(s), Maths Class(es) and/or School(s). Maths Circle’s decision shall be final.

## Miscellaneous

1. The NSPCC Number Day - NSPCC Rocks 2022 competition is organised by Maths Circle Ltd (Company Registration No: 09861676).
2. By entering the competition, the entrant school agrees for their name to be published on both the Times Tables Rock Stars and NSPCC websites, social media and other reasonable marketing and promotional activity.
