### Why Times Tables Rock Stars?

I was using a free app and one of my students had Times Tables Rock Stars at school. I much preferred the progression style so I decided to switch.

### What Difference has Times Tables Rock Stars Made?

My students all made great progress on their times tables! Especially those who go on more than once a week - it's great to see them gain confidence!

### How do you Track and Monitor Usage?

The 'Goals' tab! I can ensure they are on track and keep them engaged with rewards if they show great effort. When it comes to half term reports, I look at Fluency and Studio to inform parents and to sort out appropriate rewards.

# How do you Keep your Tutees Motivated?

1. Active for 7 days in a row: Certificate, chocolate, and/or a Times Tables Rock Stars pencil!
2. Improvements in Rock Status: Rock Status Certificate.
3. Advancing to top 3 of Leaderboard: Pin Badge
4. We are also going to put up a physical leaderboard in the centre!

# What's on your Wishlist?

1. Push notifications as reminders for students to log on.
2. 'Streak' notifications so they can track their progress.
